The Torch

Silver Lake Regional High School

Kingston, Massachusetts

Dedication

As we pass from one stage of our complicated lives to the next, we who have helped to make the history of Silver Lake for the last four years pause for one last look. In this, our final review, we look back at history to find one man standing with us—distinguished, apart from the rest. To us he has been more than a teacher or administrator; he has been a friend and counselor.

To you, Mr. Barham, for your devotion to the duties of Assistant Principal, teacher, Student Council Sponsor, QUARTERLY Editor, and, in short, your faithful dedication to the teaching profession, we proudly dedicate the 1961 TORCH.

THE EDITORS

SILVER LAKE REGIONAL HIGH SCHOOL

HALIFAX - KINGSTON - PEMBROKE - PLYMPTON
KINGSTON MASSACHUSETTS

TO THE CLASS OF 1961:

Reflecting on their twelve years of schooling, seniors might consider the following definition:

The aim of education is not that we should know more, but that we should behave better. If society does not improve man's ability to get along with his fellow human beings, it will have "educated" in vain.

Francis M. Moran

Francis M. Moran

The administration and faculty wish you every success as you make plans for further education or employment. Here at Silver Lake you have progressed from immature adolescents to youthful citizens of a fascinating world. Many of the habits you have formed in the school environment you will carry into adult life.

You have come to realize that such attributes as initiative, sincerity, and dependability are all important for success, not only in academic studies, but also in the competitive society in which we all live.

I believe that Silver Lake has been the scene of many pleasant memories for each of you. I know that you have experienced the satisfaction that comes from hard work and a job well done. As you go forward into the many tomorrows, I trust that the knowledge and skills you have gained here will be of lasting service and benefit to you.

Language Laboratory

A new addition to Silver Lake this year is the Language Laboratory. The purpose of this laboratory is to improve Conversational French and Spanish. It is most valuable at the first year level, where the student is being introduced a new language. By being able to hear many types of voices as well as the instructors. The student has an opportunity to be introduced to the new language by sound in the same way that a child first learns to speak.

The Laboratory consists of twenty soundproof booths, containing microphones and earphones, as well as volume controls. Six booths contain tape recorders on which

students may record their lessons to keep an accurate record of their mistakes and progress.

The Lab is controlled from a console made up of a complete tape recording machine and a record player. Several different programs can be played simultaneously to suit the needs of students. In this way, each student may proceed at his own learning rate, without holding back the rest of the class, or being held back himself.

It is hoped that through this new laboratory, all students will receive the best training possible in his chosen language.

GEORGE WILLIAM WASHBURN

George is quiet in school, but what about outside the building? He has many friends and is sure to make more in the future.

DIANE ELIZABETH WELCH

Diane is very active in church affairs. Her quiet manner will make her an efficient secretary.

THOMAS BRADLEE WHITING

Tommy's one of our artistic people. His wide range of interests includes working at Benny's and learning the card-making business on the side.

Senior Executive Council

D.A.R. Girl:
JENNIFER SMITH

Jennifer was voted D.A.R. girl by the seniors and faculty. She was chosen by us all because of her outstanding character, leadership, scholarship, and sincerity.

We will all remember Jennifer as a hard worker in all her varied activities. Perhaps her most outstanding was the hard work she put into making our Senior Class Play the success it was.

Good Government Representative:
ALTON GARCIA

Alton was selected to represent Silver Lake at Good Government Day in Boston. He will represent us in the General Assembly, and we know he will represent us admirably. See what you can do about taxes, Alton.

When Alton graduates from Silver Lake, he wants to attend one of the Service Academies. He hopes to spend his life in the armed services in the service of his country.

National Merit
Scholarship Award winner:
PAT HOWARD

The whole school is proud of Pat Howard for achieving recognition in the National Merit Scholarship Test. She has worked very hard and deserves the high honor which she won.

This honor, along with her quiet personality and extensive background in reading, is sure to have an influence on her future as a teacher. Her quiet dignity will command the attention of all her students.

Betty Crocker
Homemaker of Tomorrow:
KAREN BERRIDGE

Karen certainly is the ideal homemaker. As a result of her training and her high marks, Karen was the highest scorer on the test. This test was taken by all interested senior girls. Karen's paper will now be entered in state competition and, if she wins there, the national finals.

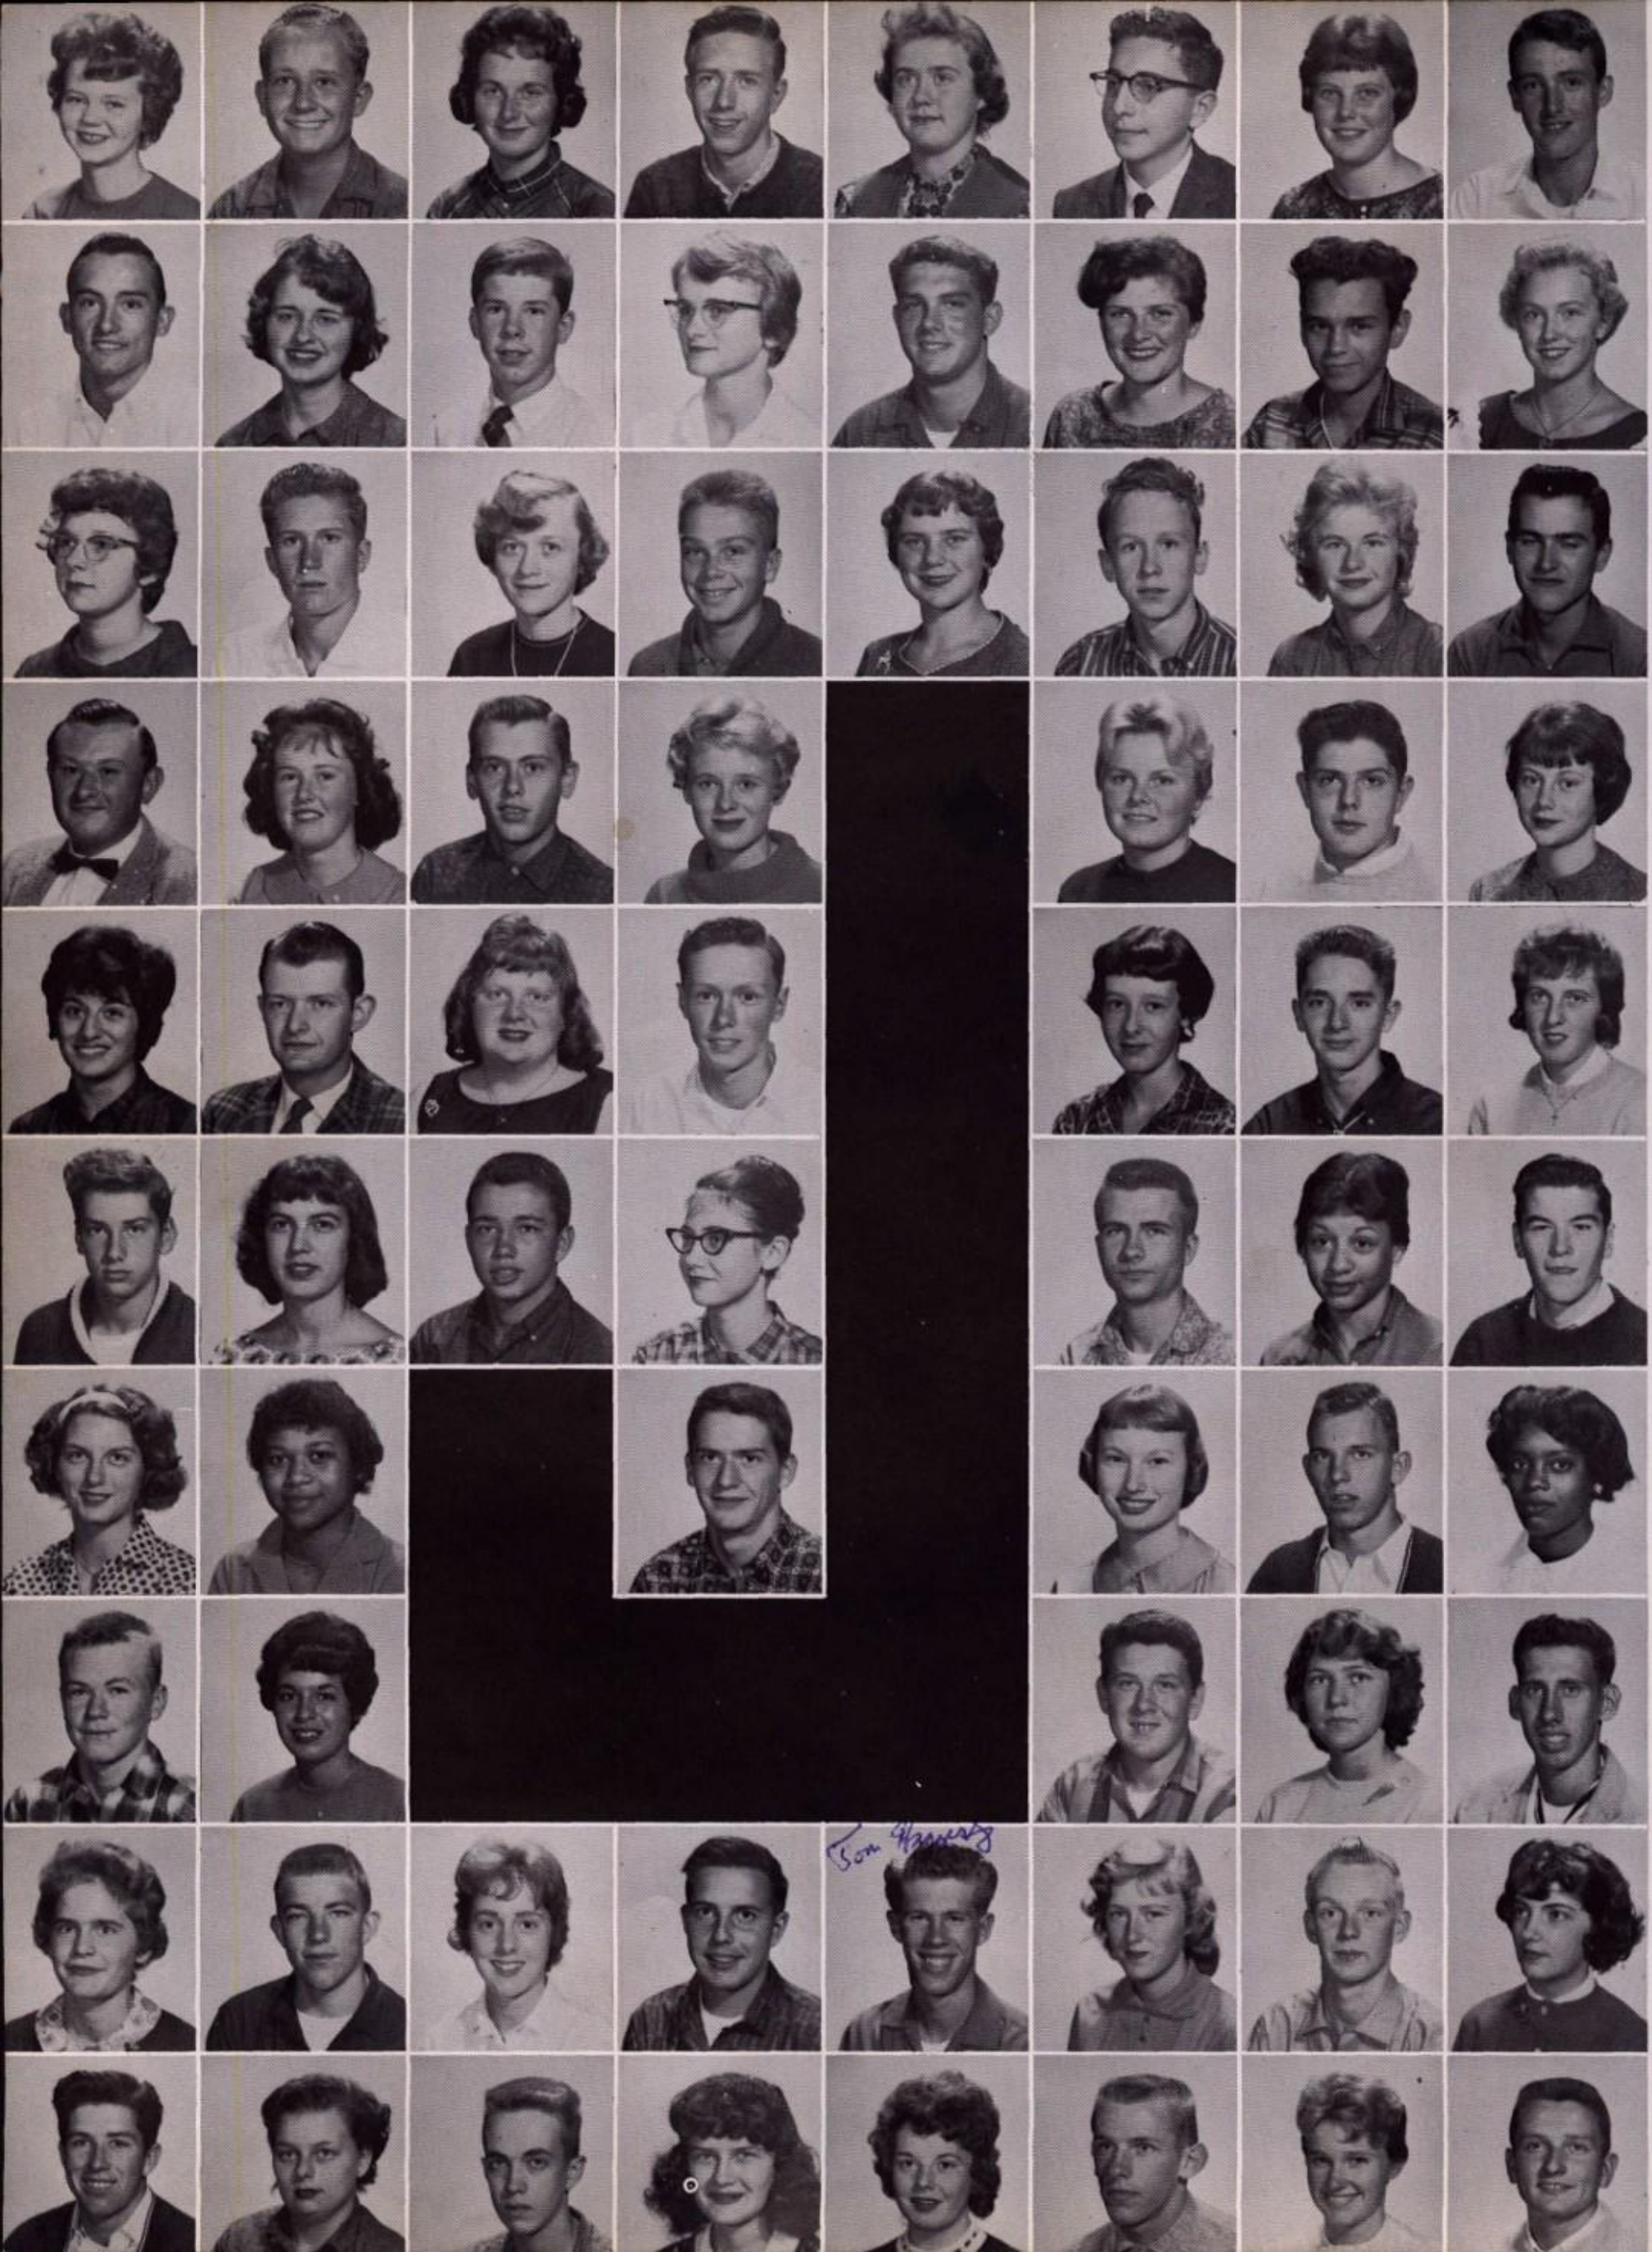

We all wish Karen the best of luck.

Laker Legend

The LAKER LEGEND, our school newspaper, continues to present monthly a collection of short stories, poems, and articles written by students. Also included are class and club news columns, as well as various interesting features.

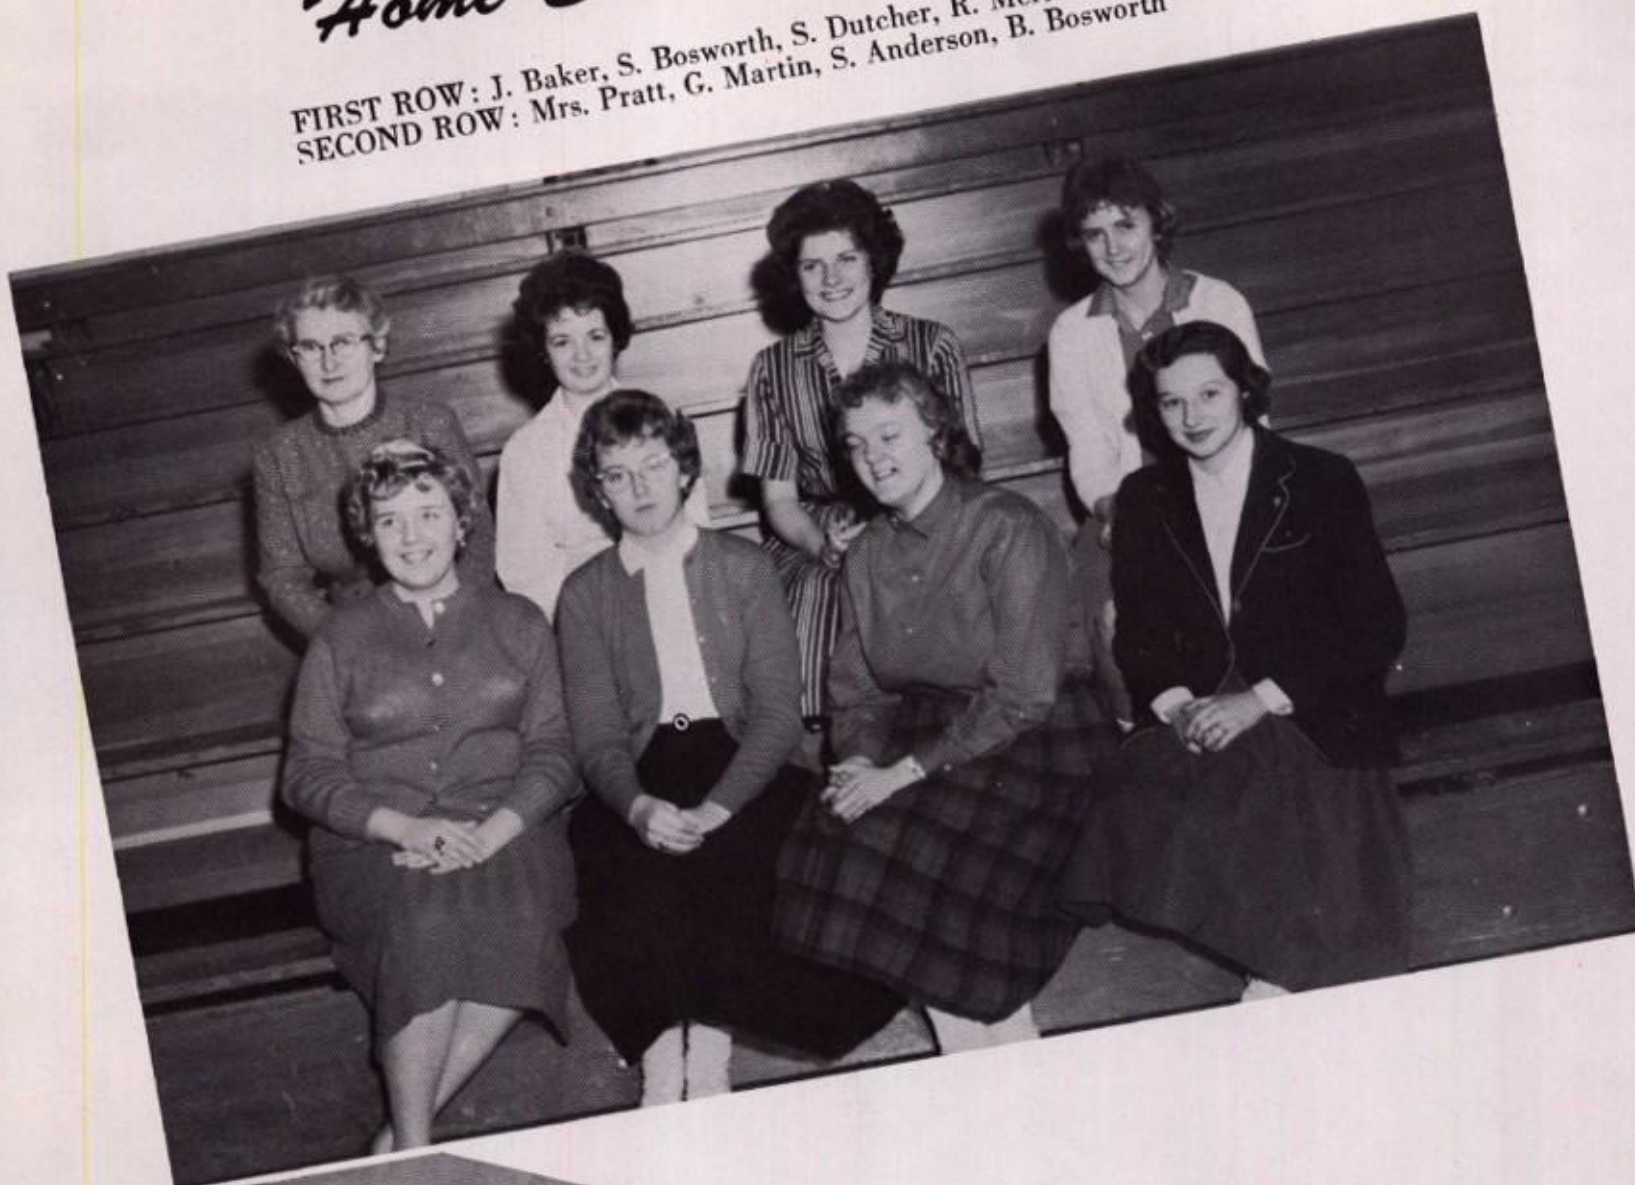

New this year is a printed copy of the LEGEND, replacing the mimeographed booklet. It is hoped that in the near future, the LEGEND will be able to include pictures and advertising, as well as more feature articles.

Dramatics Club

Last spring the Dramatics Club won its second straight regional festival with its performance of the Greek tragedy *ELECTRA* by Euripides. Under Mr. Ringer's direction the play then placed in the top five at the Massachusetts State Finals held at John Hancock Hall in Boston, competing with the fourteen best plays in the State. As a result of their excellence, the six-member chorus led by Mary Fitzgerald was singled out for a special award at the Hull Festival, with Bette Peck and Adrian Stair receiving best actress awards. In the State Finals Bette was chosen one of sixteen best actors in the entire State.

For this year's festival entry the Dramatics Club presented *THE MADWOMAN OF CHAILLOT* by Jean Giraudoux, featuring Adrian Stair, Nancy Beane, Cindy Burke, Roxanne Gile and Steve Carvalho.

Debate Club

This year has been an interesting one, for there have been many additions, including the coach, officers, ideas, and a new topic. The debates have been based on the resolution: The United Nations should be significantly strengthened.

Many schools lost to Silver Lake. The underclassmen have certainly well represented their school. The Debate Club is grateful to their Coach, Mr. Shaw, and to Mr. Silvester for making this debating year possible.

National Honor Society

The Silver Lake Chapter of National Honor Society has worked slowly, yet arduously, to instill in its members and the student body the ideals of Scholarship, Character, Leadership and Service. The Society sponsored its annual picture sale with excellent results. In March the Honor Society collaborated with the Key Club as a service to the school with arrangements for transportation to the basketball games at Boston Gardens.

We give many thanks to Miss DeGere for her efforts and guidance.

Key Club

Silver Lake's chapter of Key Club International continued to live up to its motto, "We Build, through service to the school and community," by engaging in a varied program of activities. This year's football concession was certainly improved with the addition of that infra-red equipment. Key Clubbers were also seen at every home basketball game operating the concession, setting and cleaning up the cafeteria for dances held jointly with the Booster's Club. Besides helping the school, this project also earned money for several scholarships given by the club. A successful community project was a food drive for the two local families who lost their homes in fires.

Senior Class Play

This year's production of "The Skin of Our Teeth," directed by Robert R. Ringer, proved a smashing success, artistically and financially.

The record crowds which jammed the Little Theater unanimously agreed that a near-professional job was done by all concerned.

The Thornton Wilder extravaganza was an inspiring saga of mankind, penetratingly interpreted by Betté Peck, Tina Solari, and Barclay Churchill, and by a supporting cast of dinosaurs, beggars, fortune tellers, Atlantic City conventioners and the hours of the night, who passed by chanting Plato, Aristotle and Socrates.

The Senior Class pays humble tribute to those of its members who so unstintingly gave of their time and energy to make this difficult endeavor a successful one.

Silver Lake Cross Country Team Splits

The Silver Lake High cross country team split in two dual meets this week as it defeated Plymouth High, 20 to 35, in an Old Colony League meet and lost to Randolph yesterday, 17 to 38.

Eddie Lopes won his fourth meet in as many starts as he paced Silver Lake to its victory over visiting Plymouth.

In yesterday's meet, Silver Lake was beaten by Randolph as the winners' Steve Parakalis ran the two and one half mile course in 13 minutes and nine seconds.

SECOND ROW: S. Rossi, D. Burke, J. Lanzillotta, P. Maini, D. Blanchard, R. Peck, P. Carey, E. Fulmine, W. Lumpkins, J. Hoingus

The Track Team had a fairly successful year, with several lettermen returning from the previous year. Two big winners were Ronald Peck running, and Dave Blanchard throwing the shotput. Another outstanding man was Junior, Walt Pratt, also throwing the shotput. The 1961 season should be most successful with the majority of the team returning.

Varsity Basketball

Marvelous! Modest! Stupendous! There aren't enough words to describe our basketball team. In every sense of the word they are true sportsmen. Champions when they win, gentlemen when they lose—they are a team to be proud of.

Their decision to play in Class A competition in the Tech Tourney was a choice between an assured Class C championship and a very difficult struggle for the Class A crown. Without hesitation, the seven seniors, Dede Lopes, David Spath, Bill Carey, Peter Alberghini, Walter Pratt, Bob Balboni, and Greg Magura, made their choice. The entire school was proud when they defeated Malden Catholic 89-64 and broke a Class A scoring record in Tech Tourney competition. Even though we were defeated by Fairhaven in the second game, everyone was proud of the manner in which the boys fought up to the last minute against almost impossible odds.

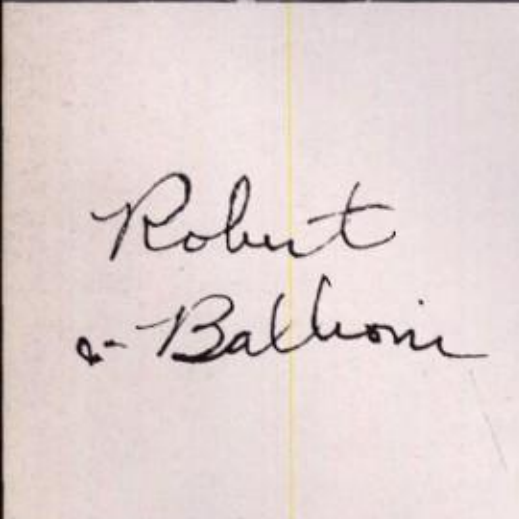

Although the boys did not become the holders of the South Shore or the Class A championship, in their own right, they are champions.

Girls Basketball

The girls' varsity basketball team has just completed its best year in the history of the school. What's more, seven of the experienced varsity team members will be back next year.

Under the coaching of Mrs. Longhi, the varsity turned in a 7 win, 4 loss record while the Jayvees won 3 and lost 8.

Co-Captain Janet Randall was top scorer for the season, hooping 161 points in the 11 games played. Maureen Danforth got 121 points for the season to take second varsity scoring honors. Both girls will be lost to the Lakers this year with other seniors on the varsity team being Karen Berridge, Carol Halunen, and Kristina Solari.

Returning next year will be Alma Antoniotti, Caroline Clark, Marsha Randall, Janet Desnoyer, Carolyn Grant, Donna Sherman and Barbara Hewitt.

Field Hockey

Although the girls didn't win all their games, they all had a wonderful experience. They all learned a great many things, including the fact that a team is always better than eleven stars.

Varsity

FIRST ROW: M. Shaw, R. Fuller, M. Danforth, C. Costa, J. Desnoyer, M. Randall. SECOND ROW: Mrs. Longhi, D. Goslin, C. Westgate, E. Jones, P. DiPetro, B. Newhall, C. Nava, K. Nava, J. Kilroy.

Junior Varsity

FRONT ROW: H. Jameson, P. Brennan, N. Peck, M. Coy, L. Angie, P. Merrill, D. Walsh, V. Benea. BACK ROW: Mrs. Longhi, A. Briggs, C. Saunders, C. Grey, P. DiPietro, J. Van Looey, M. Nava, D. Fabray, K. Wood.

Tennis

The girls' tennis team had a fairly successful season. They won and lost the same number of games, and tied one. The members of this team have played at least one year; many of them have played for two and three years.

The boys' tennis team had a much more successful season. They won almost all of their games. All on this team have played for one or more years.

Best of luck to both these teams in the seasons to come!

The 1960 baseball season found the Lakers with their best team since the inauguration of the school five years ago. The Laker nine had never finished higher than eighth place until last season, when they tied Abington High for the Old Colony League championship, but lost in the play-off game to Abington, 11 to 7.

The Lakers also qualified for the State Schoolboy Baseball Tourney for the first time and lost in the quarter finals to Prevost High from Fall River, after defeating Somerset High in the first round.

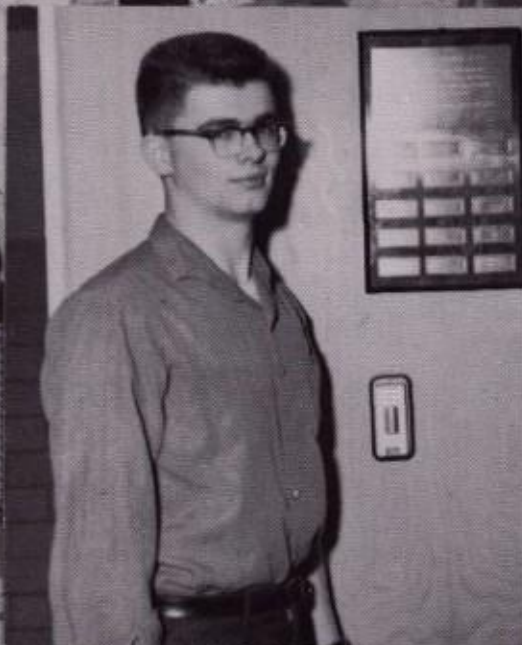

The record of the Lakers' overall season was 11 and 7.

1961 looks promising with at least seven lettermen returning.

OPEN LETTER TO THE SENIORS:

Thought we would never see you leave!
CONGRATULATIONS and best of luck.

Sincerely,

CLASS OF 1962

Autographs

To Dick
the kid who always
had a joke
good luck
Dave Gordon.

To Dick
with best
of luck in the
future. Remember
the muffer
Best of
luck
Paul.

Dickie,
I must be
getting old. So think
that this was your
last year of high.
You have grown up
to be a handsome lad.
(Ah to be young again) Don't let
the handsome "bit" go to your
head. ok

We have had many laughs
together and I hope no regrets.

Good luck in the service
and what ever you set out
to do. After all, with my brains
& your looks how can you
go wrong.

All kidding aside - Good
luck.

Be good & careful & may
God follow you.

With Love,
"Boobra"
